2015

Produced for the Villagers
by Hart and Elwick Churches

Revd. Janet Burbury, The Vicarage, Hart, Hartlepool. TS27 3AP
 janetb_231@hotmail.co.uk Tel. 01429 262340 Mob 07958 131271

Dear friends, We are meant to Harvest the provisions of God in many ways. This month all the churches in Hartlepool addressed all 3 issues we have focused on recently. These included **growth**, **poverty** and **encouraging our young people**. After just 3 days of a clarion call to gather supplies to help the refugees the response was overwhelming. There was enough supplies to fill all the depots that had been set up in the region. The delivery van was filled and a store room was needed until the van could return again to transport the supplies in waiting. It was an outpouring of our faith spelt out in practical terms and marvellous to see.

Don't you just love the parable of the reaper and the sower, that great harvest reading? God the reaper asks us to sow his promises so generously they will fall on every type of person. We are asked to be the hands of Christ today and sow the seeds of God's promise and presence on all types of 'ground' ie 'people' including on the path, the rocky ground, thorny ground and good soil.

Those represented by the *path hear but don't respond*; those who are *rocky ground* these are briefly and well impressed but the word of God produces no lasting fruit. Then those *there are the thorny ground*, on whom a good impression is produced, but the cares of this life, and the distractions of the world choke the seed. The *good-ground* are folks that produce abundant fruit.

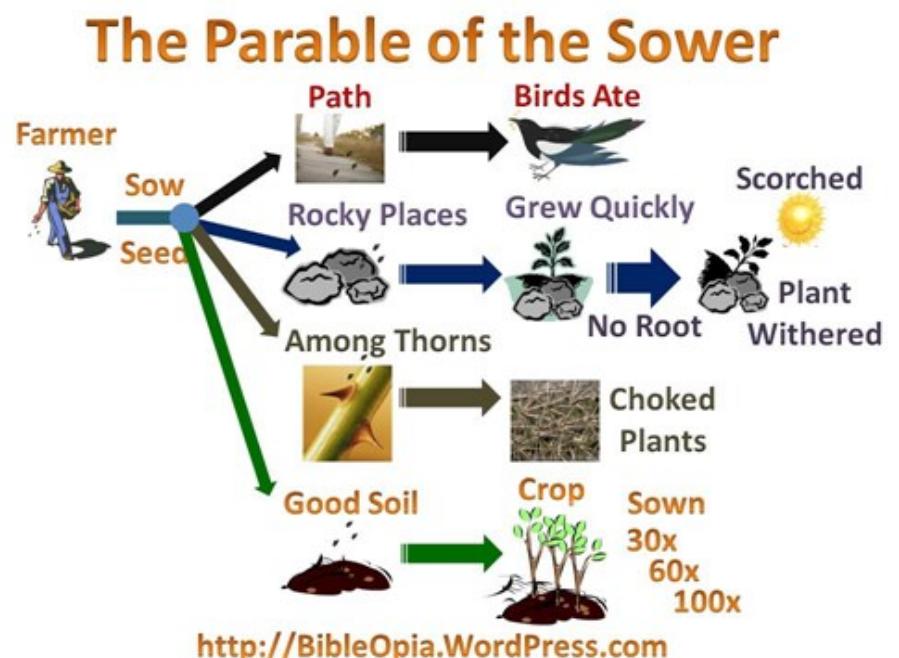

What is fabulous about harvest is that no one could create the smallest grain that ever grew upon the earth, much less the seed of eternal life. All we can do is keep on scattering generously as God has prompted us to do. Many people today ask why the good folk seem to be spared from suffering and the burdens of life.

If God limited himself to only a few, those who had been prepared by the plough of their own conviction or someone else's opinion then what sort of God would we have?

God is a generous God and wants everyone to flourish. It's his business to sow on the hardened heart, and on the mind which is overgrown with the distractions of the world. We, as sowers are only accountable for the care and industry with which we do his work. God is responsible for his harvest.

We are planning a new window in Hart on the theme of the Reaper and Sower. When it's installed do come and have a look!

. Every blessing ~ Revd. Janet

Regular Church Services
ST PETER'S, ELWICK HALL

1st Sunday in the month:

ELWICK YOUNG FARMERS CLUB REPORT

Elwick Young Farmers have had a busy couple of months over the summer period. Although we went to fortnightly meetings during the summer we still had a packed programme of events. We have been on our Walking Treasure Hunt around Elwick Village, held our Inter-Club Sandcastle-building competition at Seaton with all of the other clubs in the County and scarecrow-making in preparation for the village competition. Unfortunately our scarecrow was stolen whilst out on the Green before the competition was judged.

Over the last few weeks we have been focused on ensuring that the stones around the Green have been scrubbed, brushed and finally painted white. As a young organisation we decided to take on the task once again and paint them white, ready for the Village Fete.

In the next few weeks members will be preparing for our Annual General Meeting to be held at the beginning of October as well as ensuring memberships are renewed for the forthcoming YFC year.

A massive GOOD LUCK to the four members from Elwick who are travelling down to Malvern at the end of September to compete against the rest of the Country and Wales in two National Final Competitions. GOOD LUCK to Katie, Emma and Lucy representing the Club and County in the National Cookery Final in which Elwick has competed for the last 9 years. GOOD LUCK also to Katie, Emma and George who are competing the following day at Malvern in the National Floral Art Final. Enjoy the experience and go and do Club and County proud!

For more details about the meetings or the Club itself please contact Club Secretary Katie Sanderson on 0783 7390 212

ELWICK CHURCH CHARITY NEWS

Our charity jar at the back of the church raised £22.60 in August for Help the Heroes. We are collecting for The British Heart Foundation during the month of September..

back problems and sports injuries.

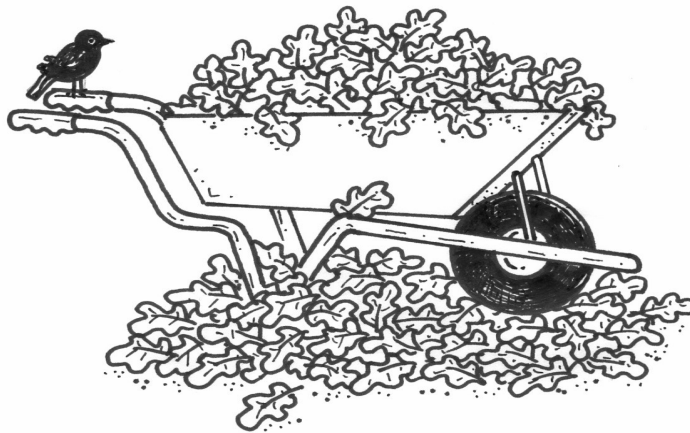

ELWICK WOMEN'S INSTITUTE

Sylvia Jobson welcomed members to the September meeting, she read the minutes of the previous meeting and dealt with the correspondence. Val Hazlewood gave the financial statement for both the Hall and W.I. Accounts. Names were taken for an Afternoon Tea on Wednesday 14th October and for Christmas Lunch on Friday 4th December: both at Hardwicke Hall Manor Hotel, Heselden. Several members had enjoyed their visit to the W.I. Centennial Fair at Harrogate, which took place at the beginning of September.

The speaker for the evening was Barbara Beveridge who gave us a very interesting talk on her life as a farmer's wife. She now specialises in producing and selling preserves, mainly chutneys, jellies and marmalades which we were able to sample with the various "nibbles" she brought to accompany them. Everyone enjoyed her delicious produce.

The competition "A Fancy Jam Pot" was won by Sylvia Stockdale, Barbara Richardson was second and Joan Carroll, third. The raffle was won by Sylvia Berg.

Next Meeting: Alan Jackson, Film Stars during the War. Competition—a powder compact. Tea Hostesses are Val Rodgers, Sylvia Sadler, Margaret Smith and Mavis Williams.

Very competitive rates. We recognise the importance of privacy, dignity, choice and fulfilment.

To find out more telephone 01429 222225 or 07963 716101

Managed by nurses. Registered with Care Quality Commission (CQC).

ELWICK LADIES FELLOWSHIP

Ten members met at Sylvia Sadler's home for our meeting on 14th September. Apologies were given on behalf of Mary Scott who was on holiday and also from Audrey Woods who had had a bereavement in her family.

Sylvia Sadler opened the meeting with our Fellowship Prayer. Unfortunately it had been planned that Audrey would give a talk about her holiday in Australia (in a camper van) so Sylvia and Margaret stepped in to entertain us with a selection of readings and quizzes. Sylvia had a thought provoking reading taken from a Church Newsletter she had found while on holiday on Arran and also a prayer which she had had for many years but wasn't sure where she had found it. Several of us recognised it as the Women's Institute Collect, a framed copy of which used to hang in the W.I. Hall. She then produced a "ding-bat style" puzzle based on hymn titles—some were fairly easy to guess, others were completely baffling! Margaret then read a very amusing poem called "The Alternative Alphabet".

We enjoyed a general chat over a welcome cup of tea and biscuits. We also discussed plans for our next meeting, which is to be held jointly with Hart Fellowship, when the speaker will be from the Hartlepool Food Bank.. Members are asked to bring food items to contribute to the Food Bank. Anyone else wishing to contribute would be very welcome.

After thanking Sylvia for her hospitality the meeting closed with The Grace.

Date of Next Meeting: Monday 12th October at 2.00pm in the W.I. Hall.

OPERATION CHRISTMAS CHILD

We are getting to that time of year when I will be asking you to do a shoebox to be sent to children who otherwise do not receive any Christmas gifts. I thought if I draw your attention to it now, it will allow you to gather together a few items ready for the box. I will give out the leaflets as soon as I have them and normally the boxes have to be ready for the beginning of November. No war items can be sent and no chocolate or other edible items although wrapped sweets are allowed with a sell by date of at least March 2016. Sonia Dobbie, 28 The Green, Elwick

Report for July & August 2015

While the Parish Council is in recess during the month of August, the trundling wheels of the system still keep turning in the background. For example, we have been advised by HBC Legal Department the Chare Wall is now in the ownership of Hart Parish Council. There are, however, still some minor legal details to be dealt with but hopefully we can begin to arrange for the long awaited repairs to come into effect. We have to liaise with HBC and the National Stone Working apprenticeship organisation to secure grants for the work.

The PC continues to work with the PCC of St. Mary's in improving the area of the car park. With luck we should see some of the plans coming to fruition later this year.

The footpath from the village up to Nine Acres has been brought to the attention of HBC yet again and we trust that they are able to improve the surface before the winter weather sets in. Having said that the range of conditions we have experienced recently have given rise to concerns as to the safety of this footpath.

The next meeting for the PC is 14th September. Items for the agenda will include weed control throughout the village and the fencing of the highway outside Glebe Farm.

Ron Gray Clerk to Hart Parish Council 24 August 2015

Police Notice

Police are appealing for information after an ornament was stolen from a grave at Stranton Cemetery on Brierton Lane in Hartlepool.

The incident occurred between 1pm on Saturday 12th September and 12.30pm on Thursday 17th September.

The ornament is a miniature bench which is around 8-9 inches in length and has two small pandas hooked onto the bench.

Anyone with information regarding this incident or anyone in the area who may have been seen to be acting suspiciously is asked to contact PC Wendy Rowe on 101 or Crimestoppers anonymously on 0800 555 111 or www.crimestoppers-uk.org.

Report for September 2015

We have watched the summer drifting towards autumn; observed the harvest, the stubble ploughed and harrowed, then by now seen the sowing of the winter crops to complete another year in the life of the village. The older one gets the faster time seems to pass by.

Back from the summer recess, the parish council once again faced planning applications and appeals, lighting problems, and the never ending struggle to have repairs to roads and pathways.

At a recent Parish Liaison Meeting, which brings together the parish councils, HBC senior officers and HBC Chair, PC Chairman John Littlefair had raised the matter of poor footpaths. That which goes up to Nine Acres together with the road surface is particularly poor and the PC has taken it up once again following the September meeting. In the same breath the PC have congratulated HBC on their choice of contractor who has made repairs in and around the village earlier in the summer. They were expensive but are standing up well to the lane traffic, far better than previous cheap and nasty temporary repairs. Worset Lane has been put on the priority list for a makeover in the next financial year.

The PC have sent their comments to the Planning Inspectorate regarding the appeal from Glebe Farm over the application to convert a barn to housing. Following discussions with HBC it appears that the fencing which has illegally been placed around the layby has not been resolved with HBC as had been promised.

The Countryside Officer is being approached to request that the lane behind Mill View and its linked steps to ROW 6 be improved properly. There are other issues on footpaths which will be followed up at the same time.

Reports of damage to the edging between The White Hart and Mill View have been taken up with HBC. This, together with as mentioned above, the poor state of the pathway and road leading to Nine Acres, has been taken on board by the highways department. Frost and ice have soured the protecting surface of both road and path over several winters. An inspection has been ordered. Another area of note to be addressed is the telephone box which is reported as being in an unclean state. BT are being approached on this matter, or will be when they restore the landline to the clerk!

The picnic tables have arrived and are in place. These form part of a coordinated approach with St. Mary's Church PCC, the three Ward councillors and the PC to improve facilities in Hart. We still have to decide where to place the spare seat which was removed from the car park recently. The origins of the Parish Council are historically linked to the Parochial Church Council and it is pleasing that we in Hart have managed to maintain at least some of this connection.

The PC were advised that following a change in legislation, local authorities are not required to provide a Gypsy & traveller site, unless the travellers prove a need.

Ron Gray
Clerk to Hart Parish Council

HART LADIES FELLOWSHIP

Margaret and Gordon Barr welcomed members to their home for our September meeting which opened with prayer. We remembered Evelyn Brown, a loyal member of the Fellowship who died recently.

Margaret R read a letter from Tear Fund thanking us for our continued support and informing us of their work to combat child trafficking and to make villages safer places for vulnerable children to grow up in.

We then tackled a quiz to see how many words we could make from the letters of Harvest. Sheila was our champion. We also discussed the words most relevant to harvest: have, starve and share. Sheila provided our thought for the day: "We may make mistakes but if our motive is pure God makes up the deficit."

We congratulated Queen Elizabeth on the day she became Britain's longest serving monarch, a duty she has carried out with dedication.

Shirley reminded us that our next meeting is a joint meeting with Elwick Ladies Fellowship on Monday, 12th October. Members are asked to bring a donation for the Foodbank. She also noted that the Church Harvest Supper is on Friday 2nd October and the Harvest Festival service on Sunday, 4th October.

Margaret served tea and refreshments and was thanked by Shirley. The meeting closed with The Grace.

ELWICK MILLENNIUM ASSOCIATION

The Annual Summer Fête on 13th September was again a great day. After Saturday's downpour, we were lucky that the sun shone nearly all day. We hope that the Village groups that had stalls, Young Farmers, St Peter's Church and the Friends of Elwick School, had a successful afternoon as well as our outside traders. We are most grateful to the GT Silver Band for entertaining us so professionally throughout the event – many people young and older have told us that they preferred this to the disco music we've had for previous Fêtes. Thanks also to the Hartlepool Hawks for putting on their spectacular show – they just get better and better. We also thank everyone including the pubs who donated items for our stalls - cakes, bric-a-brac, raffle prizes, books, plants etc. and to the three entrants in our men's bake-off competition judged by Kevin from the Spotted Cow. Once again, we are indebted to Lynne Turnbull for judging our dog show.

Thank you to all the people who helped to erect the marquees this year – a very important part of the event is getting these structures up and taking them down on a dry day afterwards.

We so appreciated the assistance given on the day by residents. After putting out a plea for help, our small committee gained enough support on our EMA stalls and with setting out and clearing up at the end that we actually managed to enjoy the day ourselves instead of being run ragged trying to divide ourselves in so many parts!
